

Bespoke Workforce Development Solutions

Apprenticeships & Adult Skills

Portfolio 2020

ACCOUNTS/FINANCE ASSISTANT

LEVEL 2 APPRENTICESHIP STANDARD

Role Overview:

Maintaining an efficient and accurate finance function within a business.

Role Profile:

Accounts/Finance Assistant is responsible for assisting the team of accountants with junior accounting duties. These can vary massively depending on the team structure and size of business.

An Accounts/Finance Assistant's work could include basic bookkeeping activities, working with sales and purchase ledgers, running calculations to ensure that records and payments are correct, recording of cash and data entry.

Accounts/Finance Assistants can work in almost any sector. Potential employers include corporate businesses, sole traders, partnerships, Public Sector, not-for-profit organisations and educational institutions. Accounts/Finance Assistants may work in-house for an organisation or they might work for accountancy firm, bookkeeping practice, shared service provider, or on behalf of several different clients.

Examples of the subject areas covered in this Apprenticeship include:

Knowledge

- General business
- Understanding your organisation
- Accounting systems and processes
- Basic accounting
- Ethical standards

Skills

- Attention to detail
- Communication
- Uses systems and processes
- Personal effectiveness

Behaviours

- Team work
- Personal development

- Level 3 Diploma in Health & Social Care
- Care certificate

***Apprentices without Level 2 English and Maths will need to achieve this prior to taking the end-point assessment.**

IMPROVEMENT TECHNICIAN

LEVEL 3 APPRENTICESHIP STANDARD

Role Overview:

Responsible for delivery and coaching of improvement activity within an area of responsibility.

Role Profile:

Improvement Technicians are responsible for delivery and coaching of improvement activity within an area of responsibility, often associated with Lean and Six Sigma methodologies. They can be found across all industry sectors and functions including automotive, banking, engineering, food products, IT, property, retail, telecoms etc. Typically, Technicians work as a member of an operational team to resolve problems - preventing re-occurrence, engaging others in issues affecting them and to support the improvement of performance.

Examples of the subject areas covered in this Apprenticeship include:

Knowledge

- Compliance: Legislative and customer compliance requirements including health and safety.
- Team formation & leadership: Improvement team roles and responsibilities in a change environment.

Skills

- Communication: Share improvement progress through appropriate reporting.
- Project management: Plan, manage and implement improvement activities. Identify and support management of risks.

Behaviours

- Drive for results: Clear commitment for identifying opportunities and delivering improvements, pays attention to detail.

Typical Duration:

14 months

Max. Funding Band:

£4000

Entry Requirements:

5 GCSE's grade A* - C or 9 - 4, or equivalent, including Maths and English.

Passion and flair for the industry.

Additional entry requirements set by the employer.

Typical Job Titles:

Business Improvement Co-ordinator, Continuous Improvement Executive, Process Technician, Operational Excellence/Lean Engineer, Lean Six Sigma Yellow belt and Quality Control Analyst.

***Apprentices without Level 2 English and Maths will need to achieve this Level prior to taking the end-point assessment.**

Role Overview:

Identify and lead the delivery of change across organisational functions and processes .

Role Profile:

Improvement Practitioners use a blend of Lean and Six Sigma, project and change management principles and tools to identify and lead the delivery of change across organisational functions and processes. Improvement Practitioners can be found across all sectors and functions including automotive, banking, engineering, food products, IT, property, retail, telecoms etc.

Typically, Practitioners lead smaller projects and/or play a key supporting role in a larger programme – tackling issues that may require swift problem solving, or re-occurring challenges that require in-depth analysis and the implementation of a range of effective and sustainable countermeasures. They are the focal point for all stakeholders and responsible for communication throughout a project.

Examples of the subject areas covered in this Apprenticeship include:

Knowledge

- Compliance: Legislative and customer compliance requirements including health and safety.
- Team formation & leadership: Decision-making techniques e.g. consensus, authority rule, majority rule.

Skills

- Compliance: Work in accordance with organisational controls and statutory regulations.
- Communication: Speak and write clearly. Influence others, question effectively. Plan and deliver meetings presenting insight to engage audiences.

Behaviours

- Drive for results: Continuous drive for change and encourages others to deliver results across functional areas capturing and standardising best practice

Typical Duration:

14 months

Max. Funding Band:

£6000

Entry Requirements:

5 GCSE's grade A* - C or 9 - 4, or equivalent, including Maths and English.

Passion and flair for the industry.

Additional entry requirements set by the employer.

Typical Job Titles:

Business Improvement Co-ordinator, Continuous Improvement Executive, Process Technician, Operational Excellence/Lean Engineer, Lean Six Sigma Yellow belt and Quality Control Analyst.

***Apprentices without Level 2 English and Maths will need to achieve this Level prior to taking the end-point assessment.**

ASSOCIATE PROJECT MANAGER

LEVEL 4 APPRENTICESHIP STANDARD

Role Overview:

Managing project work and teams for businesses and other organisations.

Role Profile:

Projects can be defined and delivered within different contexts, across diverse industry sectors. They can be large or small. Every project needs to be managed to ensure its success, An Associate Project Manager knows what needs to be achieved, how it will be achieved, how long it will take and how much it will cost, and works with the project team to achieve the required outcomes.

Associate Project Managers need good planning, organisation, leadership, management and communication skills. An Associate Project Manager utilises resources with suitable skills, qualifications, experience and knowledge to work together in a motivated and integrated team, with clearly defined reporting lines, roles, responsibilities and authorities.

Examples of the subject areas covered in this Apprenticeship include:

Knowledge

- Project governance - Different types of organisational structures and responsibilities, functions and project phases on different types of project. How governance can control and manage the successful delivery of projects.

Skills

- Stakeholder and communications management - Manage stakeholders, taking account of their Levels of influence and particular interests. Manage conflicts and negotiations. Communicate to a variety of different audiences. Contribute to negotiations relating to project objectives.

Behaviours

Contact our Business Development Team for more information.

Call: 01226 216760

Email: business.enquiries@ind-training.co.uk

ADVANCED LEARNER LOANS

INVEST IN YOUR FUTURE

Overview:

Advanced learner loans give individuals access to financial support for tuition costs similar to that available in higher education and are administered by Student Finance England.

Individuals planning to study at Level 3, 4, 5 or 6 and aged 19 or over (on the first day of the course) may qualify for an Advanced Learner Loan to help pay for their course fees. These government loans are easy to apply for, household income isn't taken into account and there's no credit check. The individuals won't have to pay anything back until their income is over £25,725 a year.

The loan pays for a qualification and is paid directly to the training provider, so individuals won't have to worry about sorting payment out. It's a great way to get a qualification that they may not have previously been able to afford!

Note: the loans **do not** cover Degrees or other forms of Higher Education such as HNCs or HNDs. For HE funding information go to www.gov.uk/studentfinance

More information about Advanced Learner Loans can be found at www.gov.uk/advanced-learner-loan

For further details, including eligibility and how to apply...

Contact our Business Development Team for more information.

Call: 01226 216760

Email: business.enquiries@ind-training.co.uk

Eligibility:

Loans are not means-tested and are available to eligible learners who are:

Aged 19 or older on the first day of starting their designated loans qualification.

Be living in the UK of the first day in learning and been ordinary resident in the UK for 3 years before starting the course.

Studying in England

Studying one or more designated loan qualifications at Levels 3, 4, 5 or 6.

The minimum loan amount is £300.

MANDATORY TRAINING
